E-mail: kerstin.jansson@agriculture.ministry.se

EDUCATION AND TRAINING

Academic qualifications: I have a *Master of Science in Chemical Engineering* and I have a broad and long experience of foodstuffs.

WORK EXPERIENCE

Since 1997 I work at the Ministry of Agriculture in Stockholm. As Deputy Director in the Animal and Food Division my responsibilities involve issues related to foodstuffs such as Codex Alimentarius, general food law, food standards, labelling and hygiene. During the last Swedish presidency of the EU I chaired working groups about the so called hygiene package and 3 different Codex working groups. During the next Swedish presidency in the second half of 2009 I will be occupied with Codex Alimentarius.

Before coming to the Ministry I worked as a food inspector at the Swedish National Food Administration and also almost ten years in the confectionery industry. This work involved product development, production and also managing the import of technical supplies, keeping in contact with suppliers etc.
